One Year Achievement - Proof of Good Governance in the Path of Amma
Puratchi Thalaivar M.G.R. Centenary Celebrations
Grand Functions Held in 30 Districts

Hon’ble Chief Minister

- Launched 2329 Schemes completed at a cost of Rs. 5127.11 crore.
- Laid the Foundation for 3200 New Schemes estimated to cost Rs. 5712.90 crore.
- Made 521 New Announcements.
- Distributed Welfare Assistance of Rs. 5397.52 to 8,11,481 Beneficiaries.
Awards Won by Various Departments

**Police Department**
- R.S. Puram Police station ranked as the best police station in the country in the category of SMART Police Stations. Anna Nagar Police station ranked as the fifth best in the country.

**Agriculture Department**
- Special commendation award from South Asia Foodgrains organization.
- National level award for Agricultural science department, Coimbatore
- ICAR award for demonstration of oil seeds cultivation
- National-level Mahendra Samriddhi award for processing technology of small grains.
- Weed Management award under All India Integrated Research Scheme
- Sir J.C. Bose Memorial Award for forestry and environmental protection

**Tourism, culture and religious endowments**
- Best Swachh Iconic Place award to Arulmigu Meenakshi Sundereswarar temple under Swachh Bharat Mission
- UNESCO’s Asia Pacific award of merit 2017 for renovation and restoration of the Sri Ranganathaswami temple in Srirangam

**Industries Department**
- Tamil Nadu Newsprint and Papers limited
- At the national level, prestigious award for 2016, for Best Paper Factory
- National award of Confederation of Indian Industry, and award for Best Energy Management 2017

**Rural Development and Panchayat Raj Department**
- Under the Prime Minister’s Rural Roads Scheme, Central government’s cash incentive for completion of road works in time.

**Municipal Administration and Water Supply Department**
- Award at the national level for management of solid waste.

**Revenue Department**
- Skoch award of merit to Tamil Nadu government revenue department for successful implementation of plan to put details of land documents online

**Information Technology Department**
- Tamil Nadu e-Governance Agency gets award for best e-Governance Agency at the national level

**Health & Family Welfare Department**
- Award for Organ Transplantation.
Within a year of taking the reins of power with the blessings of Hon’ble Puratchi Thalaivi Amma, we have envisaged schemes for many years and have carved out achievements that will be spoken of for a hundred years.

- Thiru. Edappadi K. Palaniswami
Hon’ble Chief Minister of Tamil Nadu

❖ ❖ ❖
Orders have been issued for construction of 2 Tribal Hostels in Trichy District one for 100 ST Girls at Thuraiyur at a cost of Rs.2.30 crore and one for 200 ST Boys at Sengattupatti at a cost of Rs.3.60 crore.

Orders have been issued for enhancement of students strength from 700 to 1,200 who pursue full time Ph.D studies.

Orders have been issued for Provision of Fast Track Power Supply to 100 Tribal Farmers at the rate of Rs.75,000/- per farmer at a total cost of Rs.75 lakh.

Orders have been issued for construction of 2 Community halls in Pachamalai and Thenpuranadu in Trichy District at an estimated cost of Rs.50 lakh each.

Orders have been issued for creation of website for tribal people to apply for various welfare schemes through online at a cost of Rs.85,000/-. 

Orders have been issued for upgradation of ADW / GTR 5 Primary Schools as Middle Schools, 5 Middle School as High School and 4 High Schools as Higher Secondary Schools.

Orders have been issued for enhancement of monthly food charges from Rs.875/- to Rs.1,000/- for college students and Rs.755/- to Rs.900/- for school students.

Orders have been issued for construction of 2 Model residential schools with staff quarters in Jawadhu Hills at a cost of Rs.24 crore.

Under implementation of Scheduled Tribes and other Traditional Forest Dwellers (Recognition of Forest Rights Act) 2006, 2,921 Individual Rights and 116 Community Rights have been distributed.

1,915 SC farmers were given free power connections under this scheme with an initial deposit amount of Rs.1.91 crore.

18,315 Adi Dravidars have been benefitted at a subsidy of Rs.44.42 crore under Economic Development Schemes.
In view of poor storage of water in Mettur dam, the Hon’ble Chief Minister on 12.06.2017, has announced the “Kuruvai Cultivation Package 2017” in delta Districts at an outlay of Rs.56.92 crore, with an objective to protect the welfare of the delta farmers and to encourage the farmers to take up Kuruvai cultivation with focus on pulse crop utilizing the ground water in delta Districts. Due to implementation of this package, an area of 2.73 lakh acres of Paddy and 0.683 lakh acres of Pulses was covered, in delta region.

Further, the Hon’ble Chief Minister of Tamil Nadu has announced Samba Package 2017 with a budget outlay of Rs.41.15 crore on 28.09.2017 when announcement was made for the Mettur dam opening on 02.10.2017 to protect the welfare of the farmers by giving priority to direct sowing utilizing the rainfall received in delta Districts. Due to this package, 2,51,534 farmers were benefited and paddy coverage touched an area of 10.685 lakh acre.

For improvement of pulses, more focus was given by State Government. An area of 19.40 lakh acres under pulses crop was achieved during 2016-2017 by implementing cluster demonstration of Pulses and awareness Campaign under Pulses development programme. An amount of Rs.74.73 crore has been spent for seed production and seed distribution, distribution of implements, important inputs such as MN Mixture,
Gypsum and PP Chemicals at subsidised cost.

- During 2017-2018, in order to attain the self-sufficiency in pulses production, it has been programmed to bring an area of 23.22 lakh acre with a financial assistance of Rs.78.83 crore. So far, an area of 19.36 lakh acre hectare has been brought under pulses cultivation.

- Tamil Nadu has experienced an unprecedented drought in 2016, State Government has taken sincere efforts to bring more farmers under crop insurance cover for compensating the yield loss.

- Due to the steps taken by the Government, an area of 31.85 lakh acre was insured and 15.37 lakh farmers have been enrolled. A sum of Rs.565 crore was released to the Insurance Companies as the State share of premium subsidy. So far, an amount of Rs.3,020 crore has been sanctioned to more than 9 lakh farmers as compensation claims and a sum of Rs. 2,512 crore has been credited to 7.49 lakh farmers account. The State Government is continuously following with Insurance companies and bankers for crediting the balance compensation.

- During 2017-2018, the State has planned to insure 40% of the total cropped area. Till date an area of 23 lakh acres has been insured by enrolling 11.57 lakh farmers during Kharif, 2017, Paddy II and Rabi 2017-2018 seasons.

- During the year 2017-2018 under the “Mission Soil Health Card” scheme, so far 6.51 lakh soil samples have been collected and 5.53 lakh samples analysed and 5.23 lakh Soil Health cards were distributed to the farmers, for soil test based application of fertilizers.

- For promotion of Integrated Farming System among farmers, inputs were distributed in 13,550 hectare to encourage two crop sequence. Milch animals and small ruminants are being distributed. 453 Permanent and 500 Temporary Vermicompost units were established utilising Rs.15.88 crore.

- Paramparaghat Krishi Vikas Yojana is being implemented as a three year continuous scheme in 10 Districts covering 4,646 acres in cluster approach. In 2017-2018, second year activities viz., conversion of land to organic, procurement of organic inputs, Integrated Nutrient Management, Marketing of organic produce are being implemented.

- With an aim to improve area under cotton, the Tamil Nadu Cotton Cultivation mission (TNCCM) is being implemented in the year 2017-2018 Cotton has been covered in 4.35 lakh acre (1.755 lakh hectare). A sum of Rs.11.20 crore was spent towards Micro Irrigation, distribution of inputs such as certified seeds, MN mixture, liquid bio fertilizer, biocides and PP chemicals and rotavators.
With an objective to enhance the sugarcane productivity, Sustainable Sugarcane Initiatives (SSI) is programmed to a target of 16000 hectare at a financial outlay of Rs.30 crore during 2017-2018. Against 1600 shade nets, 1,411 numbers of shadenets were installed and single bud chips seedlings are being produced and distributed to sugarcane growers.

State Government is giving more emphasis for modernization of Agricultural Extension Centres. A total of 100 Integrated Agricultural Extension Centres (IAEC) at a cost of Rs.150 crore, was proposed for modernization. Construction has been completed in 77 IAECs.

Construction of building for Organic fertilizers Testing Laboratory at Coimbatore and Trichy was completed at an amount of Rs.150 lakh and inaugurated by Hon’ble Chief Minister and put into use.

Construction of building for Soil Testing Laboratories at Erode and Tirunelveli were completed with a financial outlay of Rs.60 lakh per lab and inaugurated by Hon’ble Chief Minister and put into use.

State Government has taken various measures for increasing the income of Coconut growers. In the year 2017-2018, the Government has taken a policy decision to permit the production of Neera from coconut trees and issued notification on 21.12.2017. Now, applications are being called for from the Coconut Producers Organizations for issuing Licence.

For enhancing the income of dry land farmers, Government has introduced a new scheme namely “Mission on Sustainable Dry land Agriculture“ at a total cost Rs.802.9 crore, being implemented for 4 years from 2016-2017 to 2019-2020 in 1000 dry land cluster covering 1,000 hectares in a cluster.
As a initial step, 200 Clusters were identified in 2016-2017, an area of 5 lakh acres of dry land was ploughed in 2017-2018 the subsidy cost of Rs. 500 per acre in 200 Dry land Clusters.

In total 311 Entry point activities such as check-dams, Village ponds, Community ponds, Ooranies, Sunken ponds have been formed. For this activity, a sum of Rs.10 crore was released at Rs.5 lakh per cluster.

Seeds and other inputs have been distributed at 50% subsidy to farmers to sustain the yield in the dryland area. A total sum of Rs.50 crore was allotted for 5 lakh acres in the first year. So far, 4,53,926 acres of dry land area has been sown under millets, pulses, oil seeds and cotton during this year. So far, input subsidy of Rs.24.68 crore were disbursed to farmers. Due to the implementation of this mission, area under millets has been increased to 21.915 lakh acres and area under pulses has been increased to 19.36 lakh acres, till 05.02.2018.

Custom hiring centers are proposed for the benefit of dry land farmers for use of farm machineries on nominal rent. A total sum of Rs.16 crore was allotted for 200 clusters at a subsidy amount of Rs.8 lakh per custom hiring center. So far, 124 Custom Hiring Centers were established utilising the subsidy amount of Rs.9.6 crore.

As announced in the Budget Speech 2017-2018 by the Hon’ble Finance Minister, a pilot project of Collective Farming was introduced and 2,000 Farmer Producer Groups each comprising 100 small and marginal farmers benefitting two lakh farmers this year. Each Farmer Producer Group activity engaged in collective farming will be given a corpus fund of Rs.5 lakh. During 2017-2018, a sum of Rs.100 crore was allotted for this purpose.

For reduced use of pesticides, the Government is giving emphasis for adoption of Integrated Pest Management practices. As a part of this initiative 20,000 Portable Solar Power Light Traps are being distributed at 50% subsidy for an outlay of Rs.4 crore during 2017-2018.

For empowering the farmers on latest farm technologies,

56 Interstate Trainings and 37 Within the State trainings and 8,646 District level trainings conducted. 3,48,440 farmers were benefitted at a cost of Rs.997 lakh.

Besides, 413 Inter State Exposure Visits, 341 Within the State Exposure Visits of farmers and 657 Within the District Exposure visits have been taken up with an amount of Rs.634.67 lakh benefitting 58,160 farmers. 932 Farm Schools have also been organized at a cost of Rs.263.63 lakh and 23,300 farmers were benefitted.

7,229 demonstrations were organized at a cost of Rs.298.3 lakh for the benefitting 7,229 farmers. 81 farmers and 31 officers visited Thailand, Israel, Philippines and...
China under the International Exposure Visit programme.

- For increasing the area and productivity under Horticulture Crops through high tech Horticulture New Area Expansion, Protected cultivation and other components including bee keeping are being promoted for which a sum of Rs.117.27 crore allotted.

- Assistance of Rs.1.87 crore is being extended for soil health improvement and environment protection through organic farming by promotion of PGS Certification in 51 clusters of 27 Districts.

- For judicious use of water, Micro Irrigation (MI) scheme is being promoted for which 100% subsidy is extended to Small/Marginal farmers and 75% subsidy to Other farmers. In the year 2017-2018, Micro Irrigation is implemented in 3 lakh acres at an outlay of Rs.804 crore. So far 2.23 lakh acres have been registered and the installation is in progress. After the introduction of GST from 01.07.2017, the cost of MI systems has been increased and thereby increasing the farmer’s contribution also. In order to reduce the burden on farmers, the State Government have issued orders to absorb the GST in the State subsidy.

- In State Horticulture Farms, 658.23 lakh Nos of Quality Planting Materials have been Produced and being distributed to farmers.

- For Modernization of State Horticulture Farms, works such as Face lifting of parks, Center of Excellence for cut flowers and vegetables are in progress. Infrastructure facilities for seed production in 19 State Horticulture Farms are being carried out at an outlay of Rs.2,076.57 lakh.

- As special livelihood package was announced by Hon’ble CM on 11.12.2017 to provide relief and recultivation assistance to the “Ockhi Cyclone” hit Kanyakumari, Tirunelveli and Thoothukudi Districts farmers. Accordingly, the assistance for the Banana cultivated farmers is Rs.48,500 to 63,500 per hectare, for Rubber tree cultivated farmers assistance is Rs.1 lakh
per hectare and for Clove cultivated farmers the assistance is Rs.28,000 per hectare.

- Through Regulated Markets, 19.86 lakh MT of agricultural produce were sold by farmers and Rs.100.54 crore was collected as revenue from traders.

- In Regulated Markets Pledge loan to the tune of Rs.37.23 crore have been issued to 2,363 farmers and Rs. 6.10 crore to 567 traders.

- Own buildings to Tiruppur Regulated Market in Tiruppur District, Kudavasal and Poonthottam Regulated Markets in Tiruvarur District, Edapadi and Konganapuram Regulated Markets in Salem District, Sethiathoppu and Srimushnam Regulated Markets in Cuddalore District are being constructed at a total cost of Rs.14.84 crore.

- Considering the benefits to the farmers, notification of Market area has been issued for establishment of Tirunavalur Regulated Market in Villupuram and Pullampadi Regulated Market in Perambalur Districts.

- To facilitate the farmers to have more option for selling their produce, traders to have access to large National market and bulk buyers, processors, exporters to have direct participation in local mandies to get remuneration price for farmers produce. e-National Agriculture Market (e-NAM) has been launched in 30 Regulated Markets and 8 Agricultural Producers

- Co-operative Marketing Societies as a first phase at a cost of Rs.102.84 crore.

- To ensure holistic development of farmers through formation of 13 Farmer Producer Organisations, an amount of Rs. 5.54 crore has been sanctioned.

- Processing and value addition of agricultural produces, provision of Mobile Tomato Puree Vending machine, Solar Dryer for turmeric and coconut will be carried out at a cost of Rs.2.24 crore.

- To impart Value addition training, disseminate market information and forecast the price of agricultural produce to the farmers and other stakeholders in a better manner, e-Learning Centres are being established in 10 Districts at a cost of Rs.7.34 crore.

- To prevent post harvest losses and for value addition a mega project “Supply Chain Management of Fruits, Vegetables and Other Perishables” is being implemented in 10 Districts under WIF scheme at a cost of Rs.398.75 Crore. Civil works for Primary Processing Centres and Main Markets at an estimated cost of Rs. 253.66 crore are under progress.

- Agmark grading protects the consumers from harmful effects of consuming adulterated food products and ensures quality of food products. Through Agmark Labs, 13.12 lakh quintal food products have been graded.
Through the Training centre of Tamil Nadu State Agricultural Marketing Board, 415 trainings on Post harvest Technology Management to 8,299 farmers and 66 trainings on Capacity Building to 1,180 Officials were imparted.

To disseminate latest agricultural technologies to farmers and to sensitise the Department officials, Seminars on Banana, Chillies and Vegetables, fruits and coconut neera were organized.

For the benefit of farmers of 18 sub basins, an amount of Rs.14.13 crore has been sanctioned by the world bank for Improving Farmer access to Markets, Promoting Agri Enterprises & Institutional Strengthening and organizing Capacity Building training programme.

50 Nos. of infrastructure including Kallikudi Central Market for Fruits, Vegetable and Flowers, Integrated Market Complex for chillies, Storage godowns, Cold storage and Transaction shed constructed at a total cost of Rs. 125.62 crore were inaugurated by the Hon’ble Chief Minister for the benefit of farmers.

The State Government aims to promote Farm Mechanization to minimize the problems due to shortage of labourers and to enable the farmers to take up timely agricultural practices. So far, 4,375 numbers of agricultural machinery and implements were distributed to farmers with a subsidy assistance Rs.32 crore.

490 Custom Hiring Centers with the subsidy assistance of Rs. 43.86 crore were also established by registered Farmers groups / Entrepreneur / Women SHG / Farmers at Block level for hiring of agricultural machineries to the needy farmers at nominal hire charge for taking up agricultural practices in time. Action is being taken for the purchase of 50 tractors, 150 rotavators, 150 five tyne cultivators, 50 disc ploughs, 10 bund former and 10 rotary drills with an outlay of Rs. 20.67 crore by Agricultural Engineering Department for the purpose of hiring to farmers under Land Development Programme and Minor Irrigation Programme.

With a vision to promote the use of solar energy in agricultural sector, Government have sanctioned Rs.49.9 crore during the 2017-2018 to install 1000 solar powered pumping systems (upto 10 HP pumps) to the farmers with 90% subsidy and identification of beneficiaries is in progress.

Command Area Development and Water Management Programme is being implemented with farmers’ participation in eight command areas with an aim to increase water use efficiency through various water management techniques like lining of Field Channels, Rotational Water Supply concept etc., On Farm Development works were carried out to the tune of Rs.14.6 crore benefitting 2,912 Ha.

Various Soil conservation measures and Gully stabilizing works were constructed at a total cost of Rs.3.85 crore in the
catchment areas of Kundah and Krishnagiri Reservoirs.

- Soil and water conservation measures were taken up at a cost of Rs.1.23 crore in South Pennaiyar and Mettur catchments area in Dharmapuri, Krishnagiri and Erode Districts.

- For ensuring the sustainable agriculture in rainfed areas, 91 water harvesting structures were constructed at a cost of Rs.4.61 crore and 106 water harvesting structures are being formed at a cost of Rs.5.48 crore.

- For augmenting the water resource, the Government is massively creating farm ponds throughout the State. The water stored in the farm pond can be used for supplemental irrigation for rain-fed crops during critical stages of crop growth. Deepening of 1,082 of Farm Ponds was taken up at a cost of Rs.5.38 crore in Ramanathapuram District.

- Under Pradhan Mantri Krishi Sinchayee Yojana – Per Drop More Crop, 377 Rain Water Harvesting structures were constructed at a cost of Rs.11.16 crore to recharge the ground water table which will meet the irrigation requirement at critical period.

- With the aim to reclaim the areas affected by salinity / alkalinity and to increase the soil fertility and productivity, an area of 440 hectares have been taken up for reclamation measures in Cuddalore District at a cost of Rs.2.06 crore.

- To rehabilitate the irrigation network in the Chittar sub basin area, in Tirunelveli District suitable soil and water conservation practices were carried out in 541 hectares at a cost of Rs.2.62 crore during 2017-2018.

- In order to bring maximum dry land area under cultivation, Mission on Sustainable Dryland Agriculture scheme is being implemented. During 2017-2018, Summer ploughing works were taken up in 2 lakh hectare in 200 clusters with an assistance of Rs.25 crore. To improve the ground water table through water harvesting, 311 Water Harvesting Structures have been constructed at a cost of Rs.10 crore as Entry point activities. With the subsidy assistance of Rs.16 crore, 200 Nos. of Village based Custom Hiring Centres are being established to hire agricultural machineries to the needy farmers. Further, the State Government is in the process of creation of value addition machinery units for realisation of higher income.

- Under Special Area Development Programme, various Soil and water conservation measures were taken up at a cost of Rs.10.60 crore in Erode, Coimbatore, Tiruppur, The Niligris, Theni, Dindigul, Kaniyakumari, Tirunelveli and Virdhunagar Districts.

- An area of 34,155 hectare have been registered for seed certification and 58,569 M.T of various crop seeds have been certified.
To ensure the supply of quality seeds to the farmers, 71,002 seeds samples were analysed for quality parameters and results were declared.

To test and ensure the quality of Seeds produced by Government and Private Seed producers, there are 33 notified Seed Testing Labs functioning in the State. For precise and quick reporting in Seed Testing Labs, Rs.1 crore has been sanctioned for purchase of Seed Testing equipments/instruments.

The following buildings were inaugurated by the Hon’ble Chief Minister on 18.03.2017 at Coimbatore:

- National Accreditation Board for Testing and Calibration Laboratories approved Laboratory and Lecture Halls at a cost of Rs.4.53 crore.
- Insect Museum at a cost of Rs.2.3 crore.
- Additional Lecture hall at a cost of Rs.1.3 crore.
- Post Graduate Lecture hall and laboratory at a cost of Rs.1.15 crore.
- Laboratory in the Department of Sustainable Organic Agriculture Centre at a cost of Rs.1 crore.
- Multi media Laboratory at a cost of Rs.0.53 crore.
- Foundation stones laid by Hon’ble Chief Minister on 18.03.2017 for the following construction works:
  - Students Hostel at Coimbatore at a cost estimate of Rs. 13.23 crore.
  - Modernized Kitchen-cum-Dining hall at Coimbatore at a cost estimate of Rs. 3.95 crore.
  - RHIZOTRON Laboratory at Coimbatore at a cost estimate of Rs. 1.50 crore.
  - Tissue culture Production at Coimbatore at a cost estimate of Rs. 0.20 crore.
  - Laboratory building for Centre of Excellence in Molecular breeding at Coimbatore at a cost estimate of Rs. 0.5 crore.
  - Creation of Advanced Genotyping facilities for the Centre of Excellence in Molecular breeding at Coimbatore at a cost estimate of Rs. 0.7 crore.

**Infrastructure facilities**

- For infrastructure facilities at 7 Agricultural Colleges and 3 Research stations under TNAU, an amount of Rs.108.04 crore has been allocated.
- For the establishment of the Centre of Excellence in Bio Technology at Tamil Nadu Agricultural University, Coimbatore Rs. 430 crore has been allocated for a period of ten years. Rs. 1.70 crore has been released as Mobilisation Advance out of sanctioned Rs. 10 crore for infrastructure facilities.
- For the three new colleges at Kudumianmalai in Pudukottai District,
Eachangkottai in Thanjavur District and Vazhavachanur in Thiruvannamalai Districts, a sum of Rs. 96 crore has been sanctioned towards construction of Academic block building, girls’ hostel, boys’ hotel, farm office, other utility buildings and providing campus facilities. For the three Agriculture and Research Institutes, a sum of Rs. 14.4 crore was sanctioned for providing amenities like furniture and equipments.

- For the construction of girls’ hostels and kitchen amenities at Coimbatore and Tiruchirappalli, a sum of Rs. 25 crore has been sanctioned and construction work is under progress.

- For creating additional class rooms, laboratories and examination centres in the three new Agricultural Colleges and lecture and examination halls at Agricultural College and Research Institute at Madurai, a sum of Rs. 49.37 crore was sanctioned.

- For the infrastructure facilities at Citrus Research Station at Vannikonenthal in Sankaran kovil Taluk of Tirunelveli District, Rs. 1.5 crore has been sanctioned.

- For construction of boys and girls study centre at Agricultural Engineering College and Research Institute, Kumulur, Tiruchirappalli Rs. 14.8 crore has been sanctioned.

- For Creation of Students’ Amenities centre at Agricultural College and Research Institute, Madurai, Rs. 2.5 crore has been sanctioned.

- Establishment of Mango Research Centre with a sanctioned amount of Rs. 2 crore at Paiyur in Krishnagiri District.

- Diversified Agricultural cafeteria with the State of the Art Technologies for Third generation sanctioned with an amount of Rs. 7 crore at Agricultural College and Research Institute at Killikulam in Thoothukudi District.

- For construction of Farmers Trainees Hostel at Anbil Dharmalingam Agricultural College and Research Institute, Tiruchirapalli a sum of Rs. 2.57 crore was sanctioned.

**Awards conferred on Tamil Nadu Agricultural University**

- Plaque of appreciation by Cereal systems initiatives for South Asia (Co-ordinated by CIMMYT, Mexico) given to Soil and Water Management Research Institute, Thanjavur for its commitment in improving the lives of small and marginal farmers in Cauvery Delta.

- Skoch–Order–of-Merit (Top 100 projects in India) for Block Level Weather Forecast awarded to the Agro Climatic Research Centre, for the Value Chain on Industrial Agro-forestry scheme in Tamil Nadu to Forest College and Research Station, Mettupalayam.

- Mahindra Samridhi India Agri award in 2016 for Millet processing technology popularized in India through its Post
Harvest Technology Centre, Tamil Nadu Agricultural University, Coimbatore.

- Best Weed Management Centre Award for 2016-2017 was awarded to the Weed Management Centre, Department of Agronomy, by the Directorate of Weed Research at Jabalpur.

- The Krishi Vigyan Kendra (KVK), Cuddalore District was awarded Best cluster of Front Line Demonstrations in Oilseeds for the year 2015-2016 and best KVK award on 18.02.2017 by the Indian Council of Agricultural Research, New Delhi.

- An award for the Best performance of Cluster FLD on Oilseeds has received by the KVK, Vridhachalam, Cuddalore District (18.02.2017)

- SIR. J.C.Bose Memorial Award by Indian Science Monitor for recognizing the contribution in Forest Ecology and Environment (28.02.2017).

- Pandit Deen Dayal Upadhyay Rashtriya Krishi Vigyan Protshahan Puraskar Award was given to KVK, Vellore of Tamil Nadu as National Best KVK Zonal Award 2016 for Zone VIII on (15.03.2017).

- FAI-IZA award for their outstanding work on Zn nutrition of crops and its promotional activities in agriculture by the Fertilizer Association of India, New Delhi and International Zinc Association, Belgium (07.12.2017).

- Skoch Innovation Order of Merit Award 2017 for Price forecasting and Development of Market Advisories to interface with E-resource division of AMI&BPC was awarded as the TOP 30 projects in India from the Skoch Innovation Order of Merit Award (21.12.2017).

**Ranking**

- During the year 2016, Tamil Nadu Agricultural University was ranked 40th position and 7th Position in the year 2017 among the all Universities across India besides 20th position under the category Teaching and Learning resources in the year 2016 and 5th Position in the year 2017 by the National Institutional Ranking Framework (NIRF), Ministry of Human Resource Development.

- QS BRICS ranking (Brazil, Russia, India, China and South Africa) rated Tamil Nadu Agricultural University in the 130-140th position in 2016 and 105th position in 2017 among the academic institutions in BRICS countries.

**ICAR Ranking 2017**

- Tamil Nadu Agricultural University was ranked Seventh in position among the State Agricultural Universities, ICAR institutes and deemed Agricultural Universities across the Country by the Indian Council of Agricultural Research, New Delhi for the year 2017.

**Career 360 ranking**

- Career 360 ranked Tamil Nadu Agricultural
University as the No.1. State Agricultural University in India during 2016.

World bank scheme

- Tamil Nadu Irrigated Agriculture Modernization Project (TNIAMP) has been sanctioned at a total outlay of Rs.8,538.63 lakh to TNAU by World Bank through the Government of Tamil Nadu for the period 2017-2023 with overall objective of promoting climate resilient activities and market led agriculture in 18 river sub basins across the state.

NADP Schemes

- A sum of Rs 300 lakh was sanctioned for establishment of Pulses-based inoculant production units for sustainable pulse productivity of Tamil Nadu.
- A sum of Rs.363 lakh was released for facilitating farmers for stage wise crop nutrition in the Coimbatore, Madurai and Thoothukudi Districts for establishment of Water Soluble Fertilizer Production Units for the first year.
- A sum of Rs. 184 lakh was sanctioned for Remote sensing based information for crop coverage, yield estimation and drought monitoring.
- A sum of Rs.21.39 lakh was sanctioned for Promotion of organic cultivation for quality black pepper production from Kolli Hills.
- A sum of Rs. 53.5 lakh was sanctioned for the Tamil Nadu Agricultural University Under Enhancing pulses production in Delta and Non-delta Districts, implemented by Directorate of Agriculture and Tamil Nadu Agricultural University.
- Tamil Nadu New Innovation Initiatives programmes (TANII):
  - A sum of Rs. 2.24 crore was sanctioned towards Promotion, commercialization, post harvest processing and industrial application of Annatto (Bixa orellana l.) as a source of Natural dye.
  - A sum of Rs. 1.87 crore was sanctioned towards Revitalization of millets for nutritional security and enhanced productivity for the Department of Millets at Coimbatore.

As the Tamil Nadu Government is implementing remarkably well various welfare schemes for the benefit of people living in the State irrespective of their language, Tamil Nadu has the distinction of being a State where people speaking various languages live in fraternal amity.

- Hon’ble Chief Minister of Tamil Nadu

Thiru. Edappadi K. Palaniswami

One year Achievements of Tamil Nadu Government
The initiatives taken by the Commercial Taxes Department with respect to implementation of Goods and Services Tax in the State has resulted in smooth migration of existing tax payers under Value Added Tax system to Goods and Services Tax system. GST return filing by the dealers of Tamil Nadu stands at third place among the States in India.

The Commercial Taxes Department has collected a revenue of Rs.46,666.40 crore (which include GST compensation and IGST settlement) achieving an excess of Rs.4,372.71 crore over and above the collection of Rs.42,293.69 crore made in the corresponding period of the previous year. This represents a growth rate of 10.34% over the previous year. Tamil Nadu stands at second place among the States in India for GST Revenue Collection.

On the basis of the consistent efforts made by the Government of Tamil Nadu during the meetings of the GST Council, the GST Council has recommended reduction in rate of tax on the goods and services on a large number of items relating to our State specific, i.e., roasted grams, wet grinders, fire-works, dry fish, fish net, fish hooks, electrical goods used for domestic purpose, frames for spectacles, tractors parts, weighing machines, compressors, furniture, fly ash, fly ash bricks, hotels and restaurants with or without air-conditioning, palm jaggery, tamarind (dried), work relating to textiles, garments, yarn, Government works contract, job work relating to leather, common effluent treatment plants, leasing of motor vehicles.

The Hon’ble Chief Minister of Tamil Nadu has inaugurated 4 newly
constructed Commercial Taxes Office buildings at Chidambaram, Vellore, Sivagangai and Devakottai. 12 new vehicles have been purchased in lieu of condemned vehicles, at a cost of Rs.72,95,568/- and handed over to the Department by the Hon’ble Chief Minister.

- The Government has issued orders for construction of building for the office of the Assistant Commissioner (CT), Avinashi, Tiruppur District at a cost of Rs.79.20 lakh, construction of Commercial Tax office building at Tirukovilur, Villupuram District at a cost of Rs.89.76 lakh and also for carrying out special repair works to the office of the Assistant Commissioner (CT), Vaniyambadi, Vellore District at a cost of Rs.29.94 lakh.

REGISTRATION DEPARTMENT

- **e-Stamping:** Orders have been issued to extend the e-stamping facility, the alternative method for payment of Stamp Duty, in all the Corporation areas throughout the State in the Registration Department.

- **Web based software:** With a view to make end to end Computerisation of the Registration Department, the development of Web based software has been completed and it is under trial in all the Sub-Registrars. This will be implemented shortly throughout the State.

- **Building:** The Hon’ble Chief Minister has opened newly built 3 integrated office complexes and 38 individual Sub-Registrar Offices.

- **Guideline Value:** In order to implement the assurance given in the election manifesto 2016, to reform the Guideline Value in the Registration Department to reflect opinion of the overall Public, the Market Value Guideline has been reduced to 33% throughout the State.

The yardstick of a Nation’s development is the growth of every individual. The victory of democracy lies in ensuring that the basic needs of an individual like finance, food, education, housing, health, profession and security are fulfilled as a matter of course. In this sense, Tamil Nadu has achieved immeasurable growth.

- Hon’ble Chief Minister of Tamil Nadu

**Thiru. Edappadi K. Palaniswami**

- Drying yards have been constructed in 5 Agricultural Producers Co-operative Marketing Societies namely, Tenkasi,
Avinashi, Udumalpet, Kallakurichi and Tiruchengode (Konganapuram Branch) to dry, segregate and sell agricultural produce of farmers at a remunerative price, at a total cost of Rs.77.90 lakh.

- Electronic weigh bridge at a cost of Rs.22 lakh has been installed at Krishnagiri Agricultural Producers Co-operative Marketing Society to ensure accurate weighment of agricultural produce of farmers and traders.

- To enhance the service of the members, new office buildings have been constructed in 9 Agricultural Producers Co-operative Marketing Societies namely Polur, Mettupalayam, Thirumangalam, Peraiyur, Vadipatti, Theni (Head Office and Periyakulam Branch), Kaveripattinam, Tiruchengode and Krishnagiri at a cost of Rs.259.61 lakh. Further, in Tiruchengode Agricultural Producers Co-operative Marketing Society Office building has been renovated at a cost of Rs.10.65 lakh.

- In Konganapuram branch of Tiruchengode Agricultural Producers Co-operative Marketing Society, Commercial Complex at a cost of Rs.13.90 lakh and Farmers Rest House at a cost of Rs.3.85 lakh have been renovated. Further, road facilities have been enhanced in the above branch at a cost of Rs.25 lakh.

- Two vehicles have been purchased in Tiruchengode and Krishnagiri Agricultural Producers Co-operative Marketing Societies for the distribution of Controlled and Non- Controlled Commodities at a cost of Rs.24.62 lakh.

- Solar panels have been installed in Head Office and Self-Service Building of Tiruchengode Agricultural Producers Co-operative Marketing Society at a cost of Rs.20 lakh for reducing the electricity charges and to generate electricity in a natural way.

- Installation of processing unit in Agricultural producers Co-operative Marketing Societies, distribution of fertilizers and seeds through APCMS.

- In order to add value by processing the agricultural produces in Agricultural Producers Co-operative Marketing Societies and also to earn profit to the farmers, Chilly processing unit, Turmeric processing unit, Packing machine and Seed processing machine have been installed in 5 Agricultural Producers Co-operative Marketing Societies viz., Paramakudi, Uthangarai, Thirumangalam, Lalgudi, Sivagnanam and Tiruchengodu Agricultural Producers Co-operative Marketing Societies and Seed processing unit has been installed at Vengur PACCS at a cost of Rs.94 lakh.

- Modernized Dhal processing unit is installed at Chidambaram Agricultural Producers Co-operative Marketing Society at a cost of Rs.39.10 lakh under NADP scheme.

- At State level, 3,61,455 MT of chemical fertilizers worth Rs.463.57 crore have been sold.
been sold to farmers through co-operative societies.

- At State level, seeds have been sold to the tune of Rs.507.48 lakh.

**Farm Fresh Consumer Outlets**

- As on 16.02.2017, 71+2 Farm Fresh Consumer Outlets were run by Co-operatives and Tamil Nadu Civil Supplies Corporation (including 2 mobile shops). Currently, 73+3 Farm Fresh Consumer Outlets are functioning (including 3 mobile shops), through which 32 different vegetables are being sold to consumers at affordable prices.

- 8,873 metric tonnes of vegetables worth Rs.29.10 crore were sold to consumers.

**Amma Marundhagam**

- As on 16.02.2017, 106 Amma Marundhagams were run by the Co-operatives. Further, four more Amma Marundhagams were inaugurated by Hon’ble Chief Minister on 04.03.2017, and one Amma Marundhagam on 28.04.2017. Currently, 111 Amma Marundhagam are functioning in Tamil Nadu.

- Through these medical shops, medicines to the value of Rs.65.29 crore were sold to the consumers with a discount upto 15%.

**Sale of controlled/Non-controlled commodities**

- Consumer Co-operative play a vital role in curtailing the rise in price of essential commodities.

- During the year 2015-2016, the Co-operative Wholesale Stores have sold Controlled and Non-controlled commodities to the value of Rs. 1,631.42 crore and during the year 2016-2017 to the value of Rs.1,495.38 crore.

- Co-operative Wholesale Stores have sold controlled and Non-controlled commodities to the tune of Rs.1,260.63 crore.

- During the year 2014-2015, all the Co-operatives put together sold controlled and Non-Controlled commodities to the
tune of Rs. 3,409.44 crore and for the year 2015-2016 to the tune of Rs.3,404.38 crore.

- All the Cooperatives put together sold controlled and Non-Controlled commodities to the tune of Rs.2,460.61 crore.

**Fair Price Shops**

- 32,791 Fair price shops are run by Cooperative Societies. Moreover 258 Kerosene bunks are functioning under the control of co-operatives. Essential commodities are distributed to 1,78,30,237 family cardholders through the fair price shops run by co-operatives.

**Opening of new fair price shops**

- For the convenience of family cardholders 25 new full time and 61 part time fair price shops have been opened.

**Distribution of Essential Commodities**

- 32,50,532 MT of priceless Rice is being distributed to eligible family cardholders. 3,14,827 MT of Sugar, 1,31,937 MT of wheat and 1,87,641 K.L. of kerosene have been distributed to eligible family cardholders, through the fair price shops functioning under the co-operatives.

**Distribution of Special PDS commodities**

- The special PDS commodities, 1,22,006 K.L. of Palmolein and Toor Dhal have been distributed to 1,19,292 MT of eligible family cardholders, through the fair price shops functioning under the co-operatives.

**The role of co-operatives in the sale of Ooty Tea**

- In order to support and uplift the social economic conditions of the small Tea Growers in Nilgiris District, the Government, through the Hon’ble Chief Minister has launched the sale of “Ooty tea” at an affordable price to the general public through the Public Distribution System on 28.08.2001. Ooty tea is now being sold through all the District Consumer Co-operative Wholesale Stores, Co-operative Marketing Societies and the 32,791 fair price shops. 2,314 MT of Ooty tea were being sold at a cost of Rs.4,39,660.

**Sale of Iodised Salt**

- To avoid iodine deficiency disorders like goiter occurring in Tamil Nadu, all fair price shops are now distributing iodised salt purchased from the Tamil Nadu Salt Corporation. 25,520 MT of iodised salt was sold.

**Construction of new fair price shop buildings**

- New buildings for 48 Full time and 30 part time, fair price shops have been constructed.

**Government Subsidy**

- As the Public Distribution System is functioning on a non-profit motive, the Government compensates the loss incurring in the fair price shops through sanction of subsidy. For the loss incurred during the year 2016-2017 in the fair price shops, Rs.120 crore has been sanctioned as
advance subsidy by the Government. The remaining subsidy amount for the period from 2010-2011 to 2013-2014 is being sanctioned by the Government in four equal instalments. The third instalment of Rs.102.9325 crore has been sanctioned by the Government.

**End to End Computerization**

- To monitor the distribution of essential commodities to all eligible family cardholders at the right time in full quantity, the sanctions and functioning of all fair price shops have been computerised. The uploading of essential commodities from the godowns to the fair price shops and other intricate details regarding movement of essential commodities are monitored through the point of sale (POS) devices. The details of all family cardholders, their mobile nos and aadhaar nos are registered in the POS devices. Adequate training has been given to all the field officers working under the Public Distribution System.

**Sale of Empty Gunnies deposited in the fair price shops through E-auction to MSTC Limited**

- The empty gunnies deposited in the fair price shops are now being sold through e-auction to the Central Public Sector Enterprise MSTC. The sale of empty gunnies from September 2017 is 2,11,41,399.

**FOOD AND CIVIL SUPPLIES**

**Scheme of Smart Family Card**

- The scheme of End to End Computerization of Public Distribution System is being implemented at an estimated cost of Rs. 330 crore. As part of this scheme, the Hon’ble Chief Minister has introduced the scheme of issue of Smart family Cards based on the Aadhaar details in lieu of existing family cards on 01.04.2017 and Smart Family Cards are being issued.

- At present, 1.94 crore family cards are in circulation. Out of which, so far 1.88 crore Smart Family Cards have been issued. Action is being taken to issue Smart Family Cards to the left out cases by getting the required information of beneficiaries.

- The scheme of Smart Family Cards helps in the elimination of bogus family cards and also to avert malpractices. Arrangements have also been made for submission of request for changes in Smart Family Cards by the cardholders through online and also to process the requests by the Departmental officers through online.

**Incentive to Farmers**

- The Government has announced the Minimum Support price for the period of Kharif Marketing season 2017-2018 at the price of Rs.1,660/- per quintal for fine variety Paddy and Rs.1,600/- per quintal to common variety of Paddy, which is Rs.70/- and Rs.50/- over and above the price fixed by the Government of India.

**Price Monitoring Committee**

- The prices of certain essential commodities have registered upward trend in the open market. With a view to monitor closely the movement of prices and to make necessary steps to curtail price, the Government constituted the Price Monitoring Committee in the State which often
meets to take necessary steps to control the prices of Essential Commodities. The Committee shall meet often as necessary to monitor price trends and suggest corrective measures to curtail prices particularly rice, pulses, oil seeds and to ensure adequate availability in the market.

Pongal Gift Hamper, 2018

- To celebrate the ensuing Pongal festival of 2018 in a happy manner, the Government distributed the Pongal Gift hamper comprising 1 Kilogram of Raw Rice, 1 Kilogram of Sugar, a 2 feet long piece of sugarcane and a pack of 20 grams of cashew, 20 grams of Kismis and 5 grams of cardamom through the fair price shops to all rice option cardholders which includes families of Sri Lankan Tamils living in camps and Police Cardholders (total 1.84 crore cards).

RAMZAN NONBU RICE – 2017

- Raw Rice 5122.916 MTs was issued at a cost of Re.1/- per kg through the Muslim Institutions for the benefit of Muslims who observe “Ramjan Nonbu” to prepare “Nonbu Kanji”, during the month of June, 2017.

SPECIAL PUBLIC DISTRIBUTION SYSTEM

- Though the Government of India discontinued the subsidy for the issue of Pulses and Edible oil under Public Distribution System, in order to control the open market price and for the benefit of the poor people of Tamil Nadu, the Government of Tamil Nadu had issued orders to extend the scheme of Special Public Distribution System for a period of six months from March 2017 to August 2017 with supply of one dal i.e. Toor Dhal / Canadian Yellow Lentil / Masoor Dal to meet 100% requirement of the existing family cardholders and for the supply of Palmolein Oil to the card holders.

- The Government has issued orders for further extension of the scheme of Special Public Distribution System for a period of six months from September-2017 to February-2018 with supply of one dal i.e. Toor Dhal / Canadian Yellow Lentil / Masoor Dal to meet 100% requirement of the existing family cardholders and for the supply of Palmolein Oil to the card holders.

- Accordingly, average quantity of 18,000 MT of Toor dhal / Canadian Yellow Lentil/ Masoor Dhal and 1,53,00,000 one litre pouches are being purchased and 1 Kg of Toor dhal/ Canadian Yellow Lentil/ Masoor Dhal at a cost of Rs.30/- and 1 litre of RBD Palmolein oil pouch (910 Grams) at a cost of Rs.25/- are being issued to family card holders. For the implementation of the scheme, a sum of Rs.118 crore per month and Rs.1,416 crore per annum is being incurred towards additional expenditure to the Government. Although, the additional expenditure incurred the Government of Tamil Nadu is implementing the Special PDS scheme successfully.
Tamil Nadu’s power position

Capacity addition

- Capacity to the tune of 707 MW has been added to the Tamil Nadu’s grid through State & Central projects and solar power.

- Commercial operation of Kudankulam Nuclear Power Plant Unit-2 with a capacity of 1,000 MW and Kudgi STPP Unit 1 declared on 31.03.2017 and 31.07.2017 respectively. Kudgi STPP Unit 2 & Unit 3 were synchronized on 23.03.2017 and 22.08.2017 respectively.

- The State which was power deficit during the year 2011 has become power surplus, which has been recorded in the Load Generation Balance Report (LGBR) of Central Electricity Authority for the year 2016-2017 and it has also been mentioned that the State will continue to be power surplus in the year 2017-2018.

- In the State Distribution Utilities Annual Integrated Rating published by Ministry of Power TANGEDCO has been rated as ‘B’ for financial year 2015-2016 against “C+” in previous year.

Renewable Energy

Wind Energy

- New wind mills with a capacity of 222 MW has been added totalling to 7,900 MW. An all time high generation of 5,096 MW and 102.579 MU have been realized.
Solar energy

- 237 MW of Solar energy has been added to the Tamil Nadu’s grid totalling to 1,818 MW. Considerable quantum of around 800 MW solar generation is being realized during day time. An all time high generation of 1,621 MW and 10.5 MU have been realized.

Generation

Kadaladi Ultra Mega Solar photovoltaic park Power Project (500 MW)

- This project is to be established in Narippaiyur and nearby villages in around 900 Hectares of land on EPC contract basis under State Sector. Government has issued necessary administrative approval. The work of demarcation of the site under CRZ has been awarded to Institute of Remote Sensing, Anna University.

- Tender opened for consultancy services for the preparation of DPR, Pre-award and Post-contract services till commissioning of the plant. The project is expected to be commissioned in 2019.

Transmission

- 42 substations with a capacity of 6,206 MVA have been commissioned and 1,966.314 circuit kms of EHT lines have been energised to evacuate the additional power generation and to provide quality and reliable supply.

Distribution

- 12,231 Distribution transformers, 2,842kms of HT lines and 8,842 kms of LT lines have been energized to provide quality and reliable supply. Further, TANGEDCO had also effected service connections to 7.41 lakh new consumers under all categories.

Implementation of New Schemes in TANGEDCO

- One day service connection scheme in respect of new LT Domestic and Commercial service connections (come
under mere service category) was implemented from 01.07.2017 and so far 1,94,194 numbers of service connections were effected under this scheme.

- A fast track (tatkal) scheme for effecting free agriculture service connections within six months against a onetime payment for infrastructure development only has been introduced with effect from 24.06.2017 to benefit the farmers. Around 9,946 agriculture service connections have been effected under this scheme.

- A scheme for effecting LT industrial service connections within 7 days up to a demand of 112 kilo watt for both new and additional load in respect of minor extension categories including enhancement of existing Distribution Transformers has been launched with effect from 15.07.2017 and around 6,850 service connections have been effected under this scheme.

- The Policy of 24x7 power to Industries / Developers with a demand of 10 MVA or with an investment of Rs.100 crores or more has also been launched with effect from 05.09.2017.Under this scheme the industries or developers who have signed Memorandum of Understanding with TANGEDCO will get a dedicated feeder free, to extend quality power. If land is provided by developer, TANGEDCO will also establish a sub-station of appropriate voltage level.

- Multiple channels of collection of CC Charges viz., Net Banking, Debit/Credit Cards through Payment Gateway, Mobile Banking, Mobile APP, Post office Collection, Bank Counter Collection, ATM Collection, Government e-seva centres, etc., has already been in place.

- Presently, 24% of the Consumers are paying around Rs. 500 crore per month by making use of the above facilities. It has been targeted to achieve 50% under digital payment mode by March 2018.

- POS Machines have been introduced for making payment of CC Charges through Debit/Credit Cards at Collection Centres on 30.10.2017. This facility would be extended to all the 325 collection centres in Chennai by end of December 2017 and throughout the State in a phased manner by end of March 2018.

**UJALA scheme:**

- TANGEDCO had permitted M/s. Energy Efficiency Services Limited (EESL) to sell 9 watt LED bulbs, 20 watt LED tube lights and 50 watt energy efficient 5-star rated fans at affordable price to the willing domestic consumers through independent kiosks (to be set up at collection centres of TANGEDCO) in Tamil Nadu.
On 22.03.2017, M/s. EESL had commenced the sale in Chennai Region (Phase I) through Distribution Agents (DAs).

The above sale is in progress in the collection centres of about 20 EDCs including TANGEDCO headquarters. So far 7.75 lakh LED bulbs, 2.02 lakh tube lights and 38,952 BEE 5 star fans have been sold.

Finance

To take over TANGEDCO’s loan of Rs.22,815 crore by Government of Tamil Nadu. Further, Orders have also been issued sanctioning Government Guarantee for Rs.7,605 crore to TANGEDCO to issue of bonds under UDAY Scheme. TANGEDCO will save Rs.200 crore per annum. In addition to UDAY, GoTN has sanctioned Rs.4,523.19 crore of Equity Share Capital by converting Government loans and E-Tax payable and its interest.

With the support of UDAY grants of Rs.4,563 crore, the TANGEDCO would achieve break-even as early as possible.

Government of Tamil Nadu has sanctioned the financial assistance to the tune of Rs.16,998 crore.

From the above budget provision, the Government of Tamil Nadu has so far released Rs.6,649.09 crore to TANGEDCO as Tarrif Subsidy.

Further, Government of Tamil Nadu has given a Government guarantee of Rs.11,668 crore to avail loans from Financial Institutions / Banks for the current financial year 2017-2018 to TANGEDCO.

In addition to the above, the Government of Tamil Nadu have released a sum of Rs.20 crore as Ways & Means Advance towards meeting immediate financial requirement due to Ockhi Cyclone.

Chief Minister's Solar Powered Green House Scheme (CMSPGHS)

Government of Tamil Nadu had launched India’s largest Solar Rooftop programme targeting 3,00,000 Green Houses with Solar powered lights to be installed over a period of 5 years from 2011-2012 to 2015-2016 @ 60,000 houses per year. Under this scheme Rooftop solar panel totaling 20-30 MW will be installed in 5 years at an estimated cost of Rs. 900 crore. Besides, energisation of 10,000 houses constructed for weavers is also being taken up at a cost of Rs. 30 crore.

Solar Home Lighting Systems have been installed in 38,904 Green Houses, 4,612 weavers houses totaling 43,516. So far 2,71,935 nos. of Solar Home Lighting systems have been installed, under this scheme.
Energising street lights with solar power:

- 1 lakh street lights to be energized through solar power over a period of 5 years from 2011-2012 to 2015-2016 in rural areas
- This is the first of its kind in the country. The existing tube lights in a cluster of 10-15 Street lights are replaced with 20W LED luminaries and energized through a centralized solar photovoltaic power plants with grid back up. Sanctions for 2013-2014, 2014-2015 & 2015-2016 were not received.
- 45 Street Lights have been energized through solar power for the past one year, totaling 39,235 nos.

Chief Minister’s Solar Rooftop Capital Incentive Scheme:

- Under this scheme State Government provides Capital Incentive of Rs. 20,000 per KWp, in addition to 30% MNRE subsidy, for the installation of 1 KWp each grid tied solar rooftops by 10,000 domestic consumers.
- The domestic consumers can also avail the power credits upto 30 per cent of Central grant for the excess power fed into the grid after consumption as per net metering provision.
- Applications are received online on www.teda.in and sanctioned on first come first served basis.

Solar Roof top Power Plants in Government buildings

Tamil Nadu Pollution Control Board

- A cumulative capacity of 178 kWp of Grid Tied Solar Power Plants had been installed through Tamil Nadu Energy Development Agency at 18 office buildings of TNPCB in various Districts.

Rural Development & Panchayat Raj Department

- It was proposed to install 7 Kw/10 Kw capacity Solar roof top systems in 359 Government Buildings in Tamil Nadu. Under this scheme, 18 systems with a cumulative capacity of 126 Kw have been installed and brought to utilization in the past one year.

Regional Transport Offices

- 9 nos of Solar Roof top power plants have been established in Regional Transport Offices to a cumulative capacity of 69 Kw.

TEDA has empanelled 36 installers for installation and commissioning under this scheme. State subsidy had been released for 420 nos. for a sum of Rs. 84 lakh. Tamil Nadu is the pioneer in introducing net meters for solar rooftops.
TAMIL NADU FOREST DEPARTMENT

A. Plan Schemes

- For implementation of Massive Tree Planting Programme 69 lakh seedlings in 31 Districts throughout Tamil Nadu during 2017-2018 with an outlay of Rs.65.85 crore, funded under the Mahatma Gandhi National Rural Employment Guarantee Scheme.

- Enhancement of Green Cover in Chennai City and adjoining Districts to restore tree cover lost due to Vardha Cyclone at a cost of Rs. 1,342 lakh.

- Under the scheme of Tamil Nadu Bio-diversity Conservation and Greening Project (TBGP), Rs. 88.11 lakh seedlings at a cost of Rs.21.36 crore have been planted in individual farmer’s lands.

- Supply of 4 lakh seedlings to the public in rural and urban areas at a subsidized rate at a cost of Rs. 36 lakh.

- Enrichment of Non Timber Forest Product Resources in Forest Areas of Tamil Nadu.
at a cost of Rs.314.71 lakh for a period of seven years from 2017-2018 to 2023-2024 has been launched.

● Scheme of raising teak plantations in padugai lands of Tamil Nadu to enhance the timber resources, over an area of 6,000 ha. has been sanctioned at a total cost of Rs.5,263.13 lakh for a period of 8 years and works are in progress.

● Implementation “National Afforestation Programme” at a cost of Rs.410.44 lakh being carried out.

● Rejuvenation of Vaigai&Noyal Rivers at a cost of Rs.2,457.80 lakh for a period of three years through assistance of NABARD is being done.

● Women Empowerment through conservation of medicinal plants is continued during 2017-2018 in Salem, Namakkal and Dharmapuri Districts at a cost of Rs.21.13 lakh.

B. Administration

● Enhancement of compensation to the legal heir of Forest staff killed while performing duty with devotion and bravery in unforeseen circumstances from Rs.4 lakh to Rs.10 lakh.

● Government orders have been issued for appointing of Plot Watcher/ Village Social Forestry Workers in Statewide Seniority list who are not meeting the height requirement for Forest Watcher as Forest Rest House Watcher/ Cook/Malies by creating 206 posts of watchers.

● Government orders have been issued for absorption of 29 cavadies recognizing traditional knowledge and Elephant management skills of Tribal Community.

● Orders were issued, enhancing consolidated monthly wages to anti-poaching Watchers from Rs.6,750/- to Rs.10,000/- per month.

C. Wildlife Management

● Creation of Fodder plantations at an amount of Rs.274.43 lakh in forest areas to improve wildlife habitats and to avoid human animal conflict.

● Establishment of Rapid Response Teams at Coimbatore and Gudalur at a cost of Rs.178 lakh.

● Formation of 60 forest ponds at a total cost of Rs.300 lakh in the Reserved Forests and Tiger Reserves to conserve water resources and to provide water facilities for the animals, thereby preventing them from coming out of forests

Constitution of District Level Wetland Management Committee

● Framing of Tamil Nadu Biological Diversity Rules, 2017 notified under Section 22 of Biological Diversity Act, 2007 (Central Act 18 of 2003).
Appointment of Honorary Wildlife Wardens

- Permission issued for Culling of Wild boars which are destroying crops in Agricultural fields - Permission on pilot basis for one year in 11 forest divisions.

Tamil Nadu Pollution Control Board

Environment and Forests Department

- TNPCB has granted consent to establish to 616 new industries for commencing their establishment activity.

- The rice mills which was kept in Orange category as per the Central Pollution Control Board classification were examined based on the pollution index and accordingly the single boiled rice mills are not re-classified and brought under Green Category.

- In order to know the quality of effluent discharge and stack emission let-out by the 17 category highly polluting industries, TNPCB has connected online monitoring data to the Board website since August 2017 onwards.

- TNPCB has established two new District Environmental Engineers office at Kumarapalayam and Gummidipoondi bifurcating the existing District Offices at Namakkal and Tiruvallur for effective monitoring of industries and for the benefits of entrepreneurs and public.
- TNPCB has established two new Zonal offices headed by Joint Chief Environmental Engineer (monitoring) at Salem and Tirunelveli bifurcating the existing zonal offices at Coimbatore and Madurai for effective monitoring of industries and for the benefits of entrepreneurs and public.

- TNPCB has established video conference facility between Head Office and all zonal offices at a cost of Rs. 70 lakh for conducting review meetings.

- TNPCB has established a new District Environmental Laboratory at Perundurai at a cost of Rs. 215 lakh for effective monitoring of industries in SIPCOT Industrial Complex, Perundurai.

- TNPCB has upgraded three District Environmental Laboratories at Vellore, Trichy and Tirunelveli as Advanced Environmental Laboratories by providing sophisticated instruments for analysis of water and air samples at a cost of Rs. 150 lakh.

- TNPCB has constructed and inaugurated six new District Environmental Engineer’s office buildings at Coimbatore (North), Coimbatore (South), Vaniyambadi, Perundurai, Erode, and Oragadam and one Joint Chief Environmental Engineer’s (Monitoring) Office at Vellore at a total cost of Rs. 14.41 crore. Another two DEE’s office buildings at Tiruvallur, Nagapattinum are under construction at a cost of Rs. 4 crore.

- Green Awards for year 2014, 2015 and 2016 (each year three awards) to nine District Collectors and Green Awards for the year 2015 (four awards) and 2016 (three awards) to seven industries who excel in environmental protection were presented by the Hon’ble Chief Minister on 11.10.2017.

**DEPARTMENT OF ENVIRONMENT**

- Environment Information Dissemination Centres have been formed in 12 educational Districts, at a cost of Rs.2 lakh per Centre.

- Eco-Competitions and Eco-tours to NGC clubs students at a cost of Rs.1 lakh per District for 32 Districts have been conducted.

- E-learning- programme, all the 57 EIDCs (Environmental Information Dissemination Centre) of schools have been linked to the Department of Environment Server at a cost of Rs.14.44 lakh to facilitate the students to interact with the experts.

- To create better Environmental awareness Liquid Crystal Display (LCD) Projectors have been installed 69 Environment Information Dissemination Centres at a cost of Rs.27.60 lakh.

**Eco Restoration of water bodies**

- Eco – Restoration of Paruthipattu Lake, Avadi in Thiruvallur district at a cost of
Rs.28.16 crore is under progress through Public Works Department.

- Further, Government have issued orders to carryout Eco–Restoration of Periyakulam Eri in Vadamugam Vellodu Village in Perundurai Taluk of Erode district at a cost of Rs.4.90 crore and Eco–Restoration of Muthampalayam Eri in Erode Corporation area of Erode district at a cost of Rs.2.75 crore.
- To encourage the students to be more involved in environmental related activities and to keep the school premises green and clean, Government have sanctioned financial assistance Rs. 144 lakh for planting 48,000 trees and maintenance, in all 32 District, of the state by engaging selected 30 NGC and Eco Clubs per District.

**Conducting Eco Competition and Tour**

- To encourage the students to be more involved in environmental related activities, it is proposed to conduct eco-competitions among the NGC Eco clubs students in three disciplines viz., quiz, elocution and drawing. In order to conduct the programme a sum of Rs.64 has been sanctioned at the rate of Rs.2 per District for 32 Districts.

**TAMILNADU FOREST PLANTATION CORPORATION LIMITED**

- TAFCORN has supplied pulpwood to the tune of 110975 M.Tonnes to M/s. Tamil Nadu Newsprint & Papers Limited and M/s. Seshasayee Paper & Boards Limited and revenue realized for Rs.4,217 lakh.
- 3090 ha. of Eucalyptus pulpwood plantations have been regenerated by planting high yielding clones and provenance seeds and 270 ha. of cashew plantation have been planted with high yielding cashew grafts for the past one year.
- By way of public auction through tender cum sale in all regions, cashew thope units are leased out and revenue of Rs.399.16 lakh was realised during last one year.

**ARASU CORPORATION LIMITED**

- The workers of the Corporation are being paid highest wages in the sector, wherein a tapper is paid a average wage of Rs.437.68 per day.
- Arasu Rubber Corporation Limited has got latest ISO 9001:2015 quality Certification.
- New Plantations have been created to the extent of 79.753 ha. through high yielding clones of rubber.
- 26 numbers of old rubber coupes / Bits having 48,524 trees were sold fetching a sequence a Rs.15.69 crore to the Corporation. Replantation is in progress.
Chief Minister Public Relief Fund

- Rs.13,50,000/- sanctioned towards Higher Education of 10 Students of poor family.

- Rs.7,65,15,000/- sanctioned to the families of 454 persons who died and were injured due to drowning in well, pond, Lake, Sea and also death caused due to Bomb blast, Electrocution and Snake bite etc.,

- Rs.1,53,50,000/- sanctioned to the families of 196 persons who died and were injured due to Road / Fire Accidents.

- Rs.9,72,65,000/- sanctioned to the families of 293 deceased police personnel / TANGEDCO / Transport Employees who were injured and died while on duty.

- Rs.81,00,000/- sanctioned to the families of 23 persons who died, were missing and injured during the fishing.

- Rs.84,00,000/- sanctioned to the families of 14 persons (other than fisherman) who died, were missing and injured during the Ockhi storm.

- Rs.2,67,00,000/- sanctioned to the families of 89 Farmers who died by committing suicide for various reasons.

- Rs.17,40,000/- sanctioned to the families of 89 farmers who died by the ill health.

- Rs.1,22,80,000/- sanctioned to the families of 70 persons who died by Building collapse and Other Various reasons.
